

In Collaboration with the University of Manitoba
the Health Sciences Centre Winnipeg presents

THE 26th ANNUAL

BUG DAY

**Health
Sciences
Centre
Winnipeg**
A Shared Health facility

Overall Program Objectives:

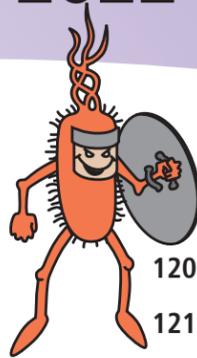

By attending this program, the attendee will be able to:

1. State the names of the key pathogens that have been clinically and socially relevant over the past 26 years.
2. State how the determinants of health influence a person's risk for infection
3. State how to modify risk factors for the acquisition of infection

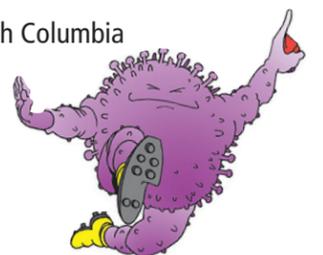

Tuesday, October 18, 2022
