2023 - Campus views from Sherbrook, William, & Bannatyne

*You* have made *us* a leading centre  
for compassionate health care  
and innovation

Thank *you* for your service!

“I had the most wonderful experience,  
thanks to everyone who took care of me.”

Comments from patients and families

“It’s very difficult for me to get around for appointments and I appreciate the service and help your Health Care professional team provides for me at HSC.

Thank you!”

Comments from patients and families

“The staff are receptive, professional, friendly, pleasant, and bring their team attitude to the care of their patients.”

Comments from patients and families

“You considered our input into our loved one’s best interests and kept her comfortable. You were all incredibly compassionate during a very difficult time. Our sincerest thanks.”

Comments from patients and families

“I received A1 treatment.  
Everyone deserves a 10 out of 10  
for the care they provided.”

Comments from patients and families

“Thank you so much to the amazing the staff who cared for my Mom during her recent stay! Knowing she felt comfortable and well cared for brought me great peace of mind.”

Comments from patients and families

“Thanks for going above and beyond  
to ensure our experience at HSC  
was exceptional.”

Comments from patients and families

Thank *you* for your service!
